

## Candlebark Farm Treasure Hunt.

This activity is done in pairs or threes but not on your own. Take this list and together, search for and in turns, make a sketch of the objects on the list. Remember to respect the environment and only disturb and bring back the piece of rubbish . You are awarded points for each sketch.

Your Group Leader will tell you when to stop looking, perhaps with a whistle. You lose two points for being more than 2 minutes late returning or for running as this is a walking game.

***Gullies, swimming pool, dams, hay shed or steep banks are out of bounds. You must stay around the buildings.***

***Do not go out on the farm. If you think you shouldn't be somewhere, you are most likely right so go back.***

Heart shaped leaf	A piece of rubbish (Please bin it)	Something soft	Something flat
A smooth object	Something rough	A sign	Something long
Something burnt	A Round object	A four leaf clover	Something fat
